Dear Students and Faculty,

On behalf of Jewish Family Service of Los Angeles (JFS) and our Board of Directors, we thank you for your generous donation of 2,347 pounds of food to support JFS {SOVA's hunger relief program.

Last year JFS {SOVA distributed over 2.5 million pounds of healthy, nutritious food to individuals of all ages, ethnicities and religions. Nearly 9,000 people benefit from this each month. But food is only part of SOVA's compelling story, a story that begins when a client walks through the door of a SOVA pantry. The client is provided with a comprehensive needs assessment so that resource staff and community specialists can provide employment assistance, legal counseling, food stamps, MediCal enrollment and can facilitate access to on-site social workers. All of the services are based upon recognizing the dignity of each client, providing attention to their needs and giving clients a sense of hope.

These remarkable achievements could not have happened without the generosity, compassion, and commitment of partners like you. For your dedication and support, we THANK YOU for enabling SOVA to do its life-affirming work.

For 162 years, Jewish Family Service's far-reaching array of programs has improved, and often changed, the lives of individuals and families in need. The exceptional support network at JFS is sustained by our "extended family"... a family comprised of a staff of skilled professionals, a team of dedicated lay leaders and volunteers and a community of compassionate donors like you.

The JFS { SOVA Community Food and Resource Program responds to hunger and poverty in our community by providing individuals and families with the resources they need to regain self-sufficiency and independence including free groceries, case management, counseling, legal and job assistance and other supportive services.

With sincere appreciation,

Shana Passman
